Century Federal Credit Union Announces New Chief Operations Officer

[Cleveland, OH] – February 10, 2025 – Century Federal Credit Union is proud to announce the appointment of Karri Krumnow as its new Chief Operations Officer (COO). With more than 25 years of demonstrated expertise in commercial banking, financial analysis, and business banking, Karri offers a vibrant skill set, a results-oriented mindset, and a strong dedication to delivering outstanding service to members within the organization.

Karri is a seasoned leader with a remarkable track record of success in sales strategy implementation and fostering effective communication and collaboration across all lines of business. Known for the ability to deepen relationships, strengthen profitability, and gain market share, Karri has consistently designed and executed innovative strategies to achieve financial growth and enhance member services.

In this pivotal role, Karri is committed to leading and collaborating with the Century Federal team to not only exceed the organization's strategic goals but also foster their personal and professional growth. Their leadership philosophy centers on empowering teams, enhancing operational efficiency, and delivering an exceptional member experience.

"We are thrilled to welcome Karri to the Century Federal Credit Union team," said President/CEO Dave Wilde. "Her extensive banking experience, coupled with a strong background in financial analysis and a keen focus on member services, will play a vital role in shaping our future strategies and driving continued success."

As Century FCU continues to expand its presence and commitment to the community, Karri's passion for building connections and driving financial success will undoubtedly contribute to the organization's ongoing growth and excellence.
