S.T.O.F.F.E. Members Overwhelmingly Approve Merger with Century Federal Credit Union, Strengthening Service for Northeast Ohio Members

Cleveland, Ohio – July 31, 2025 – Century Federal Credit Union (Century FCU), the largest credit union in Northeast Ohio and a trusted financial partner for more than 76 years, is proud to announce its merger with S.T.O.F.F.E. Federal Credit Union. This partnership further solidifies Century FCU's commitment to providing unparalleled financial services to its growing membership—truly “Banking for Your Future.”

Through this merger, S.T.O.F.F.E. members will join a vibrant financial cooperative serving more than 27,000 members across 9 regional branches. Members can enjoy friendly, in-person service at any branch or take advantage of secure, convenient access with Century FCU's robust Online & Mobile Banking—featuring bill pay, mobile check deposit, account management, and more. In addition, Century FCU provides 13 surcharge-free ATMs and access to nearly 30,000 surcharge-free ATMs nationwide through the MoneyPass and Alliance One networks. Since 1948, Century FCU has been a financial cornerstone for Northeast Ohio.

As the official credit union of the Cleveland Cavaliers and Cleveland Monsters, Century FCU is deeply rooted in the local community, supporting not only its members but also the spirit of Northeast Ohio.

“We are honored to welcome S.T.O.F.F.E. members and staff to the Century Federal Credit Union family,” said Dave Wilde, President/CEO of Century FCU. “With more than 76 years of history, we remain dedicated to our Purpose of : *fulfilling dreams, empowering people and transforming lives*. At Century FCU, we are truly ‘Banking for Your Future.’”

About Credit Unions:

Credit unions are not-for-profit, member-owned financial cooperatives. Unlike banks, credit unions return profits to members in the form of lower loan rates, higher savings yields, and reduced fees. At Century FCU, every member is also an owner, with a voice in how the credit union is run and a stake in its success.
