

## Samples

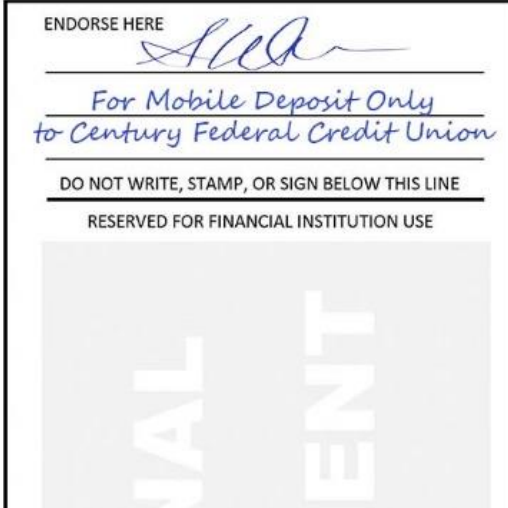

Due to changes to Regulation CC, all institutions are required to modify their endorsement standards. All mobile deposits made through Century Federal Credit Union's mobile banking app are required to have a specific restrictive endorsement:

### *Your Signature*

### **For Mobile Deposit Only to Century Federal Credit Union**

Any mobile deposits received without this endorsement will be rejected.

If you have questions regarding the changes, please contact our Member Services Center at 216-535-3200.
