## A Message from the President

We just recently held our 2018 Annual Meeting. It was a pleasure to see so many of you there and hearing your thoughts on how the Credit Union is doing. The Board of Directors, my staff and I very much appreciate your input. For those of you that were unable to attend I wanted to share a few of the highlights.

First, we are very proud of our new branch on Rockside Road in Independence opened this past Fall. If you have not had a chance to visit this new facility, please stop by! We are also extremely excited to announce the merger of RTA Hayden Federal Credit Union. This merger brings 700+ new members to Century Federal as well as a new branch and soon to be additional Century Federal ATM. Although this location/ATM is restricted to RTA staff members only, it does further expand the footprint of the credit union into the east side.

Second, we reached out to some of our members last year and asked them about areas of the credit union that we could improve upon and the message we received was loud and clear – you want better online platforms and services. Since then we have been working to improve this channel to meet these needs. We launched a new website redesign late last year and are currently working on updating our online banking and mobile banking applications as well.

Lastly, we continue to look at our suite of products and services to ensure that Century Federal remains competitive in this market and that we are meeting all of our members' financial service's needs. Over the last year we have introduced new products like our Low-Cost Mortgage and

Step-Up, Term-Share Certificate. And we are very pleased to announce the addition of VA and FHA home loans just this month!

Just as we continue to expand our product and service offerings, we also ask that you help share the Century Federal message with your family and co-workers to ensure that the credit union continues to grow. We know that our members are our greatest asset and thank you for making us part of your financial services team. We look forward to helping you on your way to your financial future.

Sincerely,

Sharon Churchill  
President & CEO

## Century Federal is Now Offering 0% APR on Balance Transfers

If you are like most Americans, you probably have some credit card debt. In the U.S. alone, consumers' total credit card debt currently exceeds \$1 trillion dollars. Century Federal is here to help. We are currently offering 0% APR on balance transfers for 12 months\* to members with an existing Century Federal credit card and those that open a new credit card the option to transfer balances from other high rate cards.

Our myChoice Rewards VISA gives you the ability to earn points for EVERY purchase that you can redeem from a rewards catalog that includes cash, gift cards, merchandise, travel options and much more. In addition, this card has no annual fee.

We also offer a Platinum Cash Back Rewards VISA with no annual fee and you can also earn a 1% rebate on purchases.

## What You Missed at Our Annual Meeting

Every year the Century Federal Credit Union membership meets to review the prior year's financial statement, elect three new Board members and go over new products or services. There is a dinner and a free gift before the meeting with raffle prizes handed out as well.

This year, we had a great member turnout for the Century Federal Credit Union Annual Meeting. Approximately 250 members, guests, Board members and staff attended the event. Not only did the Board have the opportunity to share the news of what a good year the Credit Union had in 2017, but also reflected on the opening of the new branch in Independence, continued growth of our lending portfolio and launching of some new product/service offerings.

In addition, the Board and leadership team fielded questions from our members about current and future plans for the credit union. Some of the topics of discussion included the newly introduced Low-Cost Mortgage Loan Product and merger with RTA Hayden Federal Credit Union.

The three open Board positions were filled by the incumbents that were nominated and ran, unopposed. Congratulations to Kristina Beletic, Richard French and Bob Spada!

We also spotted a bumper sticker contest winner in the parking lot at the event and awarded this member a \$100 VISA gift card right on the spot. Congratulations to Sarah B. from our Downtown branch. Request your bumper sticker today at [www.CenFedCU.org/sticker](http://www.CenFedCU.org/sticker).
