Home Page Overview

After logging in, you are taken directly to your Online Banking home page. The page is divided into convenient sections to help you navigate to every feature within Online Banking. Here you can view the balances in your Century Federal accounts, see your account summaries and more!

- A. The navigation bar appears in every view on the left side of the screen.
- B. You can navigate to Online Banking features by selecting the appropriate drop-down tab.
- C. Your Century Federal accounts are displayed in account cards with their balances.
- D. If you click an account name, you are taken to the Account Details page. You can also click the  icon on the right side of an account card and select View Activity for more details.
- E. The  icon allows you to print a summary of current available funds in your accounts.
- F. You can expand or collapse account details by clicking the  icon.
- G. If you click and hold an account card, you can drag and drop it to a new location to change the order in which your accounts appear.
- H. The Quick Actions links in the top right corner let you quickly access different Online Banking features.

NOTE: The letters correspond to several available features on the Home Page.
