

Settings

Account Preferences

The Home page and your accounts should appear in a way that is fitting for you. The names of your accounts, order in which they appear on the Home page, order of account groups and names of account groups can be changed in Account Preferences to suit your needs.

Under **Settings**, choose **Account Preferences**.

1. Select the up or down arrows on the right side to change the order of your accounts.
2. Use the **Visible** switch to toggle whether or not your account is visible on the Home page.
3. Click the  icon to change the nickname of a group or an account. Make your changes and click the check mark to save them.
4. Click **Nickname Account** to change the Online Display Name of an account. Make your changes and click the check mark to save them.
5. Select the “Account” drop-down to change the group the account is in.

SMS/Text

1. After enabling Text Banking in the Services section, select the account you wish to enroll, and click the switch.
