

# Settings

## Accessibility

We want Online Banking to be usable and accessible to everyone. On this page, you can enable high contrast mode to increase contrast and readability.

### Accessibility Settings

We are committed to providing online banking that is usable and accessible to everyone. On this page, you will find tools and settings that can enhance your online banking experience.

Enable high contrast mode

In the **Preferences** tab, click **Accessibility**.

1. Check the box next to “Enable high contrast mode” to increase the contrast of the website.
