

## Transfer/Pay

### Add External Account

Your private accounts at other financial institutions can be linked to Online Banking with Century Federal Credit Union so you can transfer money between two banks without ever leaving home! When you go to add an external account, you are asked to verify your ownership of that account by confirming two small deposits Century Federal Credit Union makes into the external account.

Choose **Add External Account**.

1. Enter the account number.
2. Select the type of account using “Account Type” drop-down.
3. Enter the financial institution’s routing number. These numbers are located at the bottom of a paper check or deposit slip from your check book.
4. Click **Continue**.

In two to three business days, 2 micro-deposits will appear in your external account. Once you receive those deposits, go to the **Verify External Account** tab to add the account.
