Verify External Account

As soon as Century Federal makes two small deposits of less than one dollar into your external account, you are asked to verify those amounts within Online Banking. Once they are confirmed, you can begin transferring money to and from your external account.

Choose **Verify External Account**.

1. Select the account you would like to verify.
2. Enter the amounts of the 2 micro-deposits that have been made into your external account.
3. Click **Submit** when you are finished.
